Drawing rule:

1. We will set group seeds based on the past ranking, therefore, keeping the same team name used before is encouraged.
2. We will do our best to avoid teams from same organization getting into the same group.
3. We will use the registration email's time stamp as a random number, add all numbers together and divide it by the number of groups in the league. The remainder of the division + 1 will be that team's group. For example, if a team in league B registered at 10:34, Oct. 8 (2005 will be dropped), then $10+34+10+8 = 62$. The 62 divided by 4 (4 groups in that league), the remainder is 2, $2+1=3$, so that team will be in group 3.
4. Drawing order will be based on the time of registration, early registered team will do it first.
5. If there are too many teams fall into one group, the later registered team will be pushed to next group or previous group depending which group has vacancy.

League A (LA)

League A has a total of 8 teams in two groups, with 4 teams in each group. MIT-A1 (defending champ) and CCCA-A1 (defending second place) are seeds of group 1 and 2. Rest of the teams will be drawn into each group based on the general rule described above.

Group match will be round-robin and top two teams in each group will advance to semi-final. The winners of semifinal will play for champion and losers will play for third place.

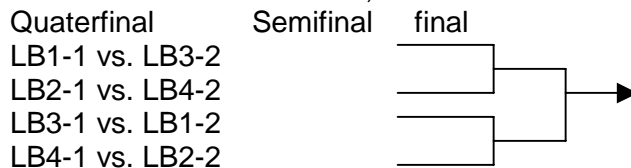

Team	Registration time	Seeding
Group 1: <u>MIT-A1</u>	7 Oct, 14:30:20	#1 Seed
CCCC-A2	2 Oct, 19:52:32	Same organization rule
MIT-A3	7 Oct, 14:30:20	Same organization rule
Metro-West	10 Oct, 13:28:23	84/2 remainder 0, group 1
Group 2		
<u>CCCC-A1</u>	5 Oct, 08:36:20	#2 Seed
MIT-A2	7 Oct, 14:30:20	Same organization rule
MACH III	08 Oct, 10:04:25	57/2 remainder 1, group 2
Newton A	15 Oct, 15:39:36	115/2 remainder 1, group 2

League B (LB)

League B has a total of 15 teams in 4 groups, with 4 teams in each group except group 3 which has three teams. Because defending champ is not in League B now, based on the ranking of previous tournament, CCCA-B1 (defending second place), ZX2, Newton-1 and Centry Chinese School will be #1 #2 #3 and #4 seeds respectively. Rest of the teams will be drawn into each group based on the general rule described above.

Group match will be round-robin and top two teams in each group will advance to quarterfinal. The winners advance to semi, and so on.

Women's League

There are total 5 teams in this league and each team will play round-robin to decide the league rank. W-L recorded will be used to decide ranking. If W-L records are the same, the first tie breaker will be net games won by the teams, then net sets won by the teams together and even net points won by the teams.

Team list:

CCCC
MIT
Newton
RSA
Metro-West

Junior League (LJ)

There are 11 teams in this league in 4 groups. Defending champion CCCC-1, defending second place CCCC-2, third place JJCX and Phillips Academy are #1, #2, #3 and #4 seeds. The reason Phillips is set as seed team is that there are two players, one with 1700+ USATT points and the other with 1500+ points. Rest of the teams will be seeded based on the general rule above. Top two teams will advance to playoff. In order to give junior players more chance to experience the real competition, all 8 teams will play single elimination to decide 1st-8th. Eliminated teams will also play a comfort round to decide 9th—11th. The detailed schedule will be in a separate document.
